About Brill's New Pauly

Brill's New Pauly is the English edition of the authoritative *Der Neue Pauly*, published by Verlag J.B. Metzler since 1996. The encyclopaedic coverage and high academic standard of the work, the interdisciplinary and contemporary approach and clear and accessible presentation have made the New Pauly the unrivalled modern reference work for the ancient world.

Fifteen volumes (Antiquity, 1-15) of Brill's New Pauly are devoted to Greco-Roman antiquity and cover more than two thousand years of history, ranging from the second millennium BC to early medieval Europe. Special emphasis is given to the interaction between Greco-Roman culture on the one hand, and Semitic, Celtic, Germanic, and Slavonic culture, and ancient Judaism, Christianity, and Islam on the other hand.

Five volumes (Classical Tradition, I-V) are uniquely concerned with the long and influential aftermath of antiquity and the process of continuous reinterpretation and reevaluation of the ancient heritage, including the history of classical scholarship. Brill's New Pauly presents the current state of traditional and new areas of research and brings together specialist knowledge from leading scholars from all over the world. Many entries are elucidated with maps and illustrations and the English edition will include updated bibliographic references.

Edited by: Hubert Cancik and Helmuth Schneider (Antiquity) and Manfred Landfester (Classical Tradition).
Der Neue Pauly – published in print by Metzler Verlag – is the most complete and most authoritative modern encyclopedia of the ancient world currently available. In nearly 20,000 entries it covers two thousand years of history and culture of Greco-Roman Antiquity and the reception of this in the two thousand years that followed. This unique reference work is also available in print and online as Brill's New Pauly."

Paulys Realencyclopädie der classischen Altertumswissenschaft: Neue Bearbeitung unter Mitwirkung zahlreicher Fachgenossen /

August Friedrich von Pauly 1796-1845.; Georg Wissowa 1859-1931.; Wilhelm Kroll 1869-1939.; K Witte (Kurt), 1885-1950.; August Friedrich von Pauly 1796-1845. / Stuttgart : Druckenmüller Verlag, 1893- [1956- .

Wilson Library DE5 .P33

The informal title Pauly-Wissowa is very familiar to a great number of people. August von Pauly (1796–1845), the German Classical philologist, began issuing his Real-Encyclopädie der classischen Altertumswissenschaft ("Encyclopaedia of Classical Antiquities") in 1837. The new edition was begun by another German Classical philologist, Georg Wissowa, in 1893. This enormous work on Classical studies has no equal in any part of the world, though it can be supplemented in some areas by the encyclopaedic series *Handbuch der Altertumswissenschaft* ("Handbook of Antiquities") begun in 1887.

Wilson Library DE5 .K5

"The price and size of Pauly–Wissowa have always been daunting, and so between 1964 and 1975 the J. B. Metzler'sche Verlagsbuchhandlung put out Der Kleine Pauly in five volumes." – *Wikipedia*

This is the updated edition of the **All About Pauly** guide. Holdings remain consistent but the print volumes are no longer non-circulating, and have been moved from first floor Wilson to the general collection. We have full online access for University of Minnesota affiliates, and for visitors to campus libraries. Print volumes listed include permalink to our library catalog record, so that you can check availability before coming to the library.

– Susan Gangl, Librarian for Classical and Near Eastern Studies
